WELCOME

Occuring biannually, Hospice du Rhône's flagship event in Paso Robles, California gathers an international community to celebrate Rhône wines and winemakers. Join us for wine tastings featuring over 150 international Rhône producers, seminars on the forefront of Rhône thinking, an exclusive live auction, delicious meals by Sonoma-based the girl & the fig, and above all - serious fun!

DETAILS AND FORM

Each event, Hospice du Rhône Paso Robles provides a limited number of complimentary Weekend Pass Press Credentials. It is our hope media attendees share their experience and/or gather material for upcoming articles.

A media pass grants the holder access to all activities at the Paso Robles Event Center. As a non-profit organization we are unable to provide transportation or accommodations. Though, we are happy to help secure or recommend accommodations.
